I am a highly skilled Full Stack Developer with extensive experience in developing dynamic and responsive web applications using modern technologies such as React.js, Node.js, Express.js, and MongoDB. With a strong foundation in both frontend and backend development, I am adept at creating scalable and efficient solutions. My portfolio showcases a variety of projects, demonstrating my ability to tackle complex problems and deliver high-quality results. I am passionate about technology and continuously strive to enhance my skills and contribute to innovative projects.

EDUCATION

Bachelor of Technology in Computer Science Engineering

GLA University

08/2022 - 03/2026   *Mathura,UP*

-
